## **DIN HEAD UNIT PROVISION**

***Note: You will need to remove the after-market radio's trim ring if equipped.***

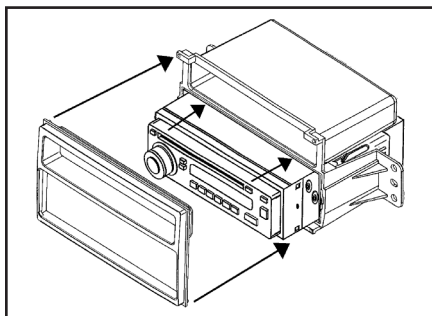

1. Cut and remove the appropriate tabs not necessary for your application. (Figure A)
2. Slide the DIN cage into the Radio Housing and secure by bending the metal locking tabs down. (Figure B)
3. Slide the aftermarket head unit into the cage and secure. (Figure C)
4. Locate the factory wiring harness and antenna plug in the dash. Metra recommends using the proper mating adapters from Metra and/or AXCESS.
5. Attach the trim plate supplied with the kit to the front of the radio housing assembly. (Figure C)
6. Reassemble dash in reverse order of disassembly.

*Figure A*

*Figure B*

*Figure C*

## ISO MOUNT RADIO PROVISION

**Note:** The following modification will need to be made to both ISO brackets when using the ISO mount radio provision. Cut or trim the area shown from the ISO bracket. (Figure A)

1. Cut and remove the appropriate tabs not necessary for your application. (Figure B)

*Continued on page 5.*

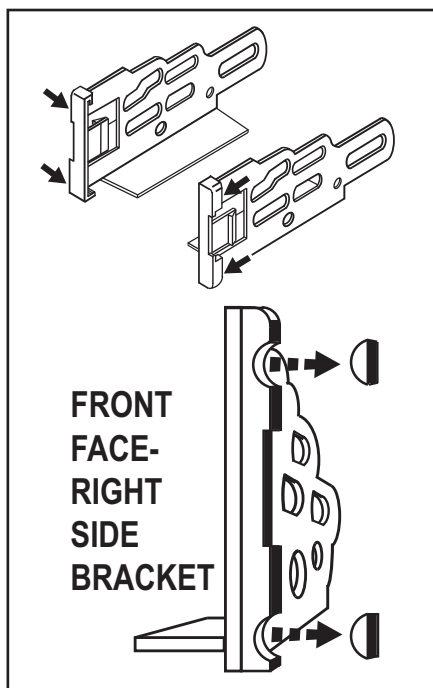

Figure A

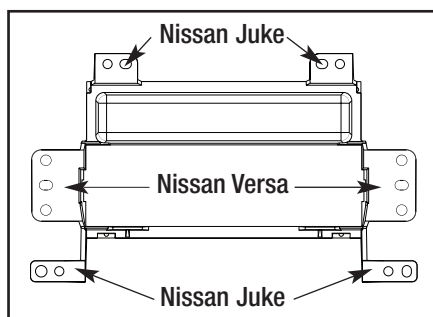

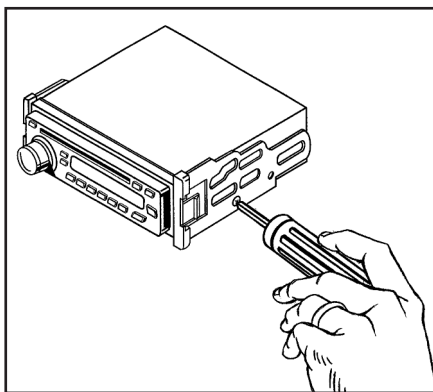

Figure B

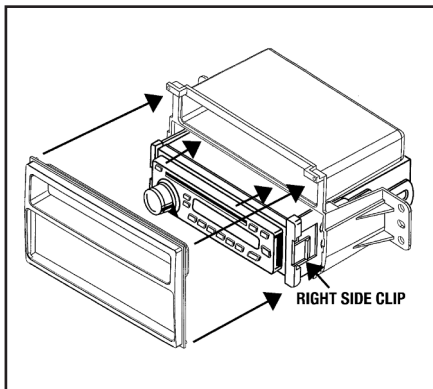

**99-7610**

1. Mount the ISO Brackets to the head unit with the screws supplied with the unit. (Figure C)
2. Slide the head unit into the radio opening until the side clips engage. (Figure D)
3. Locate the factory wiring harness and antenna plug in the dash. Metra recommends using the proper mating adapters from Metra and/or AXCESS.
4. Attach the trim plate supplied with the kit to the front of the radio housing assembly. (Figure D)
5. Reassemble dash in reverse order of disassembly.

*Figure C*

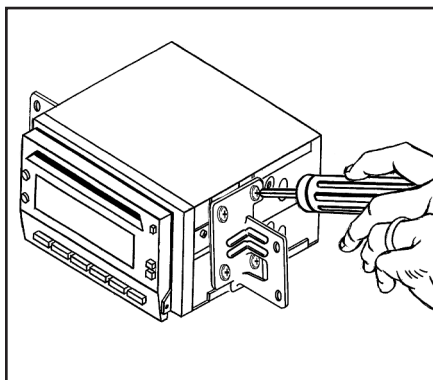

*Figure D*

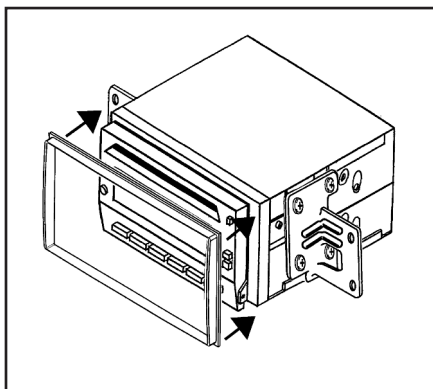

**99-7610**

## **DOUBLE DIN MOUNT RADIO PROVISION**

1. Mount the factory brackets (removed from factory radio during disassembly) to the sides of the double DIN radio using screws supplied with the double DIN radio. (Figure A)
2. Locate the factory wiring harness and antenna plug in the dash. Metra recommends using the proper mating adapters from Metra and/or AXCESS.
3. Place the DDIN trim plate on the front of the DDIN radio. (Figure B)
4. Reassemble dash in reverse order of disassembly.
