

RAW DUO XL Work Light w/ Warning Light 80W

RAW DUO XL Work Light w/ Warning Light 80W

kr 1 869,00

Conquer the night with the **RAW DUO XL 114mm Work Light with Position Light** – the versatile flood powerhouse that combines relentless illumination with smart signaling. Engineered in Norway for unyielding performance, it unleashes **9280 lumens** (6146 effective) from an efficient **80W** setup, ideal for construction vehicles, agricultural machinery, off-road trucks, and marine vessels demanding road-legal reliability. With its bombproof IP68/69K enclosure, extreme thermal range, and plug-and-play DT connectivity, the DUO XL stands ready to light up the toughest jobs from icy fjords to scorching sun.

- **Powerful Flood with Integrated Position Light:** Blasts **9280 theoretical lumens** (6146 effective lumens) in a wide flood pattern, complemented by a versatile position light for added safety and visibility during standby or signaling.
- **Rugged Compact Design:** Precision-engineered housing at **114 × 114 × 74.8 mm** (155.8 mm height with bracket) and a lightweight **1.1 kg**, mounted securely via M10 bolt for hassle-free integration on any rig.
- **Ultimate Environmental Armor:** **IP68/69K** sealed against total submersion and aggressive high-pressure cleaning, performing reliably from **-40°C to +60°C** in the most brutal conditions.
- **Universal Voltage Efficiency:** **80W** (actual 61W) power draw optimized for **12-48V** systems – no adapters needed for trucks, tractors, or heavy equipment.
- **Effortless Dual-Function Wiring:** Includes a 500 mm cable with male and female **4-pin DT connectors** for independent control of flood and position light functions.
- **Full Road-Legal Compliance:** Certified to **ECE R10, R7, R23** standards for electromagnetic compatibility and auxiliary lighting – ready for professional and on-road use worldwide.

RAW DUO XL Work Light w/ Warning Light 80W

- **Neutral White Brilliance: 6000K** output from 16 x 5W Osram LEDs delivers sharp, color-true illumination that cuts through fog, rain, and darkness without eye strain.
